

Subject: New Compliance Directive – Data Protection Guidelines 2025

To all partners,

The Ministry of Information Technology has issued a new compliance directive (Circular No. 2025-DPG) that mandates all vendors to implement the updated Data Protection Guidelines by September 1, 2025.

Key Points:

- All personal data must be encrypted using AES-256 standards.
- Quarterly data audits are compulsory and must be submitted to the oversight authority.
- Non-compliance may result in penalties and blacklisting.

Please review the attached policy document and ensure full compliance.

Regards,

Compliance & Legal Division
